# Virtual Job Fair

## To All Employers And Recruitment Agencies

As you may be aware the internet is currently the fastest growing medium in the UK media market. To meet the high demand of our online audience the Wiltshire Times, Gazette & Herald and Swindon Advertiser are pleased to announce our 3rd virtual job fair.

The Virtual Job Fair offers you the opportunity to promote your recruitment drive with complete company branding, with a company profile, website link and job listings.

## LOCAL JOBS ONLINE EXHIBITION

Newsquest Wiltshire will be running the Virtual Job Fair on **Thursday 9th February to Wednesday 7th March 2012.**

The exhibition will be an ideal platform to promote employment opportunities within your organisation. It will establish a personal link between you, the business community, your organisation and our online audience.

Prior to the launch of the Virtual Job Fair the event will be publicised online on our Wiltshire Websites (see below), and in the Gazette & Herald, Wiltshire Times, Wiltshire Star, Swindon Advertiser and Swindon Star, promoting the event to 284,474 monthly readership (Telmar) and 311,896 monthly online users (JICREG Apr 2011).

Due to the wide geographical area that the event will be promoted in, the Online Job Fair will give you a unique platform for attracting and recruiting job seekers.

The packages and prices are available on request, varying from the basic package costing just **£225 + VAT** to the enhanced package costing **£550 + VAT**

For more information about the Virtual Job Fair, please contact **The Recruitment Team** on **01793 501740** or email [recruitment@newsquilts.co.uk](mailto:recruitment@newsquilts.co.uk)
